FOUNDING STORY

As Baby Boomers aged into retirement, the population of LGBT older adults increased significantly. This brought about questions like - what do culturally competent services for LGBT seniors look like and how would the unique needs of this community be addressed?

In 2010, the Center for Advocacy for the Rights & Interests of the Elderly (CARIE) in collaboration with a few queer organizations set out to answer these questions. Together, they assembled a group of volunteers to hit the streets and survey LGBT older adults during Philadelphia Pride. The survey used a series of questions to better understand what aging concerns LGBT people were experiencing and revealed the top concerns of the community were physical health, emotional wellbeing, cultural competence of service staff, safe/affordable housing, and legal services.

The survey led to the LGBT Senior Summit which opened the conversation to include organizations, community members, government agencies, and professionals in the field of aging! As the summit concluded, a set of recommendations were made for how to address each of the areas of concern and with that, the LGBT Elder Initiative was formed.

This year marks a decade since the survey was conducted, the summit was held, and the LGBT Elder Initiative started work to support the needs of LGBT older adults. In that time we have accomplished so much including increased access to culturally competent housing, the development of an HIV and aging community advisory committee, the creation of free community programs to address topics like aging in place and mental health, and much more!

While there are many more resources available to the LGBT community today than there were 10 years ago, we still have a lot of work to do. Our team of staff and volunteers at the LGBT Elder Initiative will continue to fight for our LGBT older adults and work to ensure they have the opportunity to live vibrant, creative, and mutually supportive lives!

DEAR FRIENDS,

As we gather this evening to celebrate the LGBT Elder Initiative, U. S. Senator Robert P. Casey, Pennsylvania Secretary of Health Dr. Rachel Levine, the Center for Advocacy for the Rights and Interests of the Elderly (CARIE), and our LGBT older adult communities of Greater Philadelphia, I would like to extend my deepest thanks to our wonderful sponsors of A Cause for Applause.

This year has been like no other as we have all rallied to address the many challenges of the coronavirus. This effort has exposed major fault lines in our society around issues of equality and access to services especially for people of color. And this pandemic has been most deadly among our elder communities most notably those who live in congregate care centers. While we mourn the loss of so many, as we move through 2021, we give thanks for the frontline workers who have provided care, the scientists who have given us vaccines and the essential workers who bravely continued their services.

Looking back to our founding in 2010, the Elder Initiative was the result of a small group of committed aging services providers and passionate community members. We set out to start a conversation about aging in the LGBT community and the preparedness of the healthcare system and aging services network to effectively care for us as we grew older.

As we celebrate the milestone of our first decade, it is truly inspiring to see the ways that this conversation has blossomed. We have state officials in Pennsylvania taking the lead in initiatives around LGBT health and LGBT aging.

We have aging services agencies committing resources to LGBT cultural competence trainings. We have senior centers and long-term care facilities developing innovative programming to support their LGBT members and residents. And we have a vast range of homecare agencies, senior living facilities, insurers, managed care organizations, healthcare institutions, and corporate allies showing their support.

We see your sponsorship not as a one-time financial commitment, but as a message that you and your agencies are fully committing to effectively serving our LGBT elder communities and ensuring LGBT equity within your organizations. Please know that the LGBT Elder Initiative is an ongoing resource for you as you navigate these issues.

To those of you who have supported us over the past ten years, thank you for your role in growing the LGBT Elder Initiative to where it is today. To those of you who are newer to our organization, we are thrilled to have you as partners in our work. Together, we are blazing an important trail in preparing our healthcare institutions, LGBT-serving organizations, and aging services agencies to care for our communities as we age.

Sincerely,

Heshie Zinman
Co-Founder
LGBT Elder Initiative

INTRODUCING THE ELDER INITIATIVE AT WILLIAM WAY

Through a first-of-its kind partnership, the LGBT Elder Initiative and William Way LGBT Community Center have brought together their programming and advocacy efforts to form the Elder Initiative at William Way! This new structure will provide a centralized hub for LGBT older adults in the Delaware Valley to access services, programming, resources, and referrals. The Elder Initiative at William Way will continue to engage the aging services network through training, collaboration, coalition-building, and policy work.

THE CENTER FOR ADVOCACY FOR THE RIGHTS & INTERESTS OF ELDERLY ★

CARIE

Center for Advocacy for the
Rights & Interests of the Elderly

The Center for Advocacy for the Rights and Interests of the Elderly (CARIE) is a leader in providing direct assistance to the elderly, their families, and professionals in the aging field.

Their services, including the CARIE LINE, the Senior Medicare Patrol, and the Long-Term Care Ombudsman Program, provide older adults with information, support, and resources to help navigate the aging network and address issues within the long-term care system. CARIE works to educate consumers and professionals, influence public policy, and fight for the rights of older individuals. As an organization, CARIE is fully committed to serving the LGBT community with cultural sensitivity and compassion. They are platinum certified by SAGE as a result of ongoing staff training in LGBT aging issues. **We are grateful for their exceptional advocacy for LGBT older adults and are excited to honor them with this year's Founders' Award for LGBT Equity!**

ROBERT P. CASEY ★
U.S. SENATOR

We are pleased to honor Senator Robert P. Casey as the recipient of this year's Edwin J. Bomba Memorial Award for Advocacy!

Senator Casey has represented Pennsylvania in the United States Senate since 2006. He has been a tremendous advocate for older adults, serving as the Ranking Member of the Special Committee on Aging. He has also been a staunch supporter of LGBT rights throughout his years in the Senate, championing causes including marriage equality, banning conversion therapy, strengthening hate crimes legislation, and passing LGBT non-discrimination laws. He was an original co-sponsor of the 2019 Inclusive Aging Act which sought to better address unique needs facing LGBTQ older adults. **We thank him for his continued advocacy to improve the lives of LGBT elders in Pennsylvania and across the country!**

RACHEL LEVINE M.D. ★
PENNSYLVANIA SECRETARY OF HEALTH

Dr. Rachel Levine is the highest-ranking LGBT person in Pennsylvania government and one of the highest-ranking transgender public officials nationwide.

She has been the leading voice in the public health community throughout the COVID-19 pandemic in Pennsylvania, coordinating much of the Commonwealth's response to the virus. Her steady leadership throughout the coronavirus crisis has undoubtedly saved the lives of countless Pennsylvanians. She has served with dedication and poise, often in the face of hateful harassment and transphobia. **We are pleased to recognize her in honor of her exceptional leadership and commitment to our communities throughout this global public health crisis!**

LGBT ELDER INITIATIVE MILESTONES SINCE 2010...

Created free community programs on topics including: long-term care, Alzheimer's and dementia, elder abuse, end-of-life planning, grief and loss, caregiving, community engagement, Medicare, aging in place, mental health, sex and intimacy, nutrition, and more.

Through partnership with Jefferson Health, launched "Doctor Is In" series in 2018 offering free monthly health workshops. 19 programs offered since 2018. Covered topics including: cardiovascular health, hypertension, diabetes, stroke prevention, dementia, cancer screenings, falls prevention, osteoporosis, pain management, depression, and exercise.

DID YOU KNOW....

LGBT people are **2x** as likely to live alone **& 4x** less likely to have children. Therefore, we are more likely to rely on services from aging services providers.

There are **27,500+** LGBT older adults in the five counties of southeast PA

There will be more than **50,000** LGBT older adults in our region by **2030**

Sources: Williams Institute, U.S. Census, AARP

Developed an HIV & Aging Community Advisory Committee of individuals age 50+ living with HIV. Since forming in 2015, have planned and implemented 35 programs on topics related to aging with HIV.

Published over 100 columns in the Philadelphia Gay News on topics related to LGBT aging.

Presented on LGBT aging issues at national conferences of American Society on Aging, National Council on Aging, and National Institute of Senior Centers.

Developed relationships with Philadelphia Corporation for Aging (PCA) to expand LGBT inclusivity of county's Area Agency on Aging. Represented on PCA Advisory Committee. Have served on a task force addressing HIV prevention for older adults and a task force addressing LGBT cultural competence in senior centers. Collaborated to provide community health workshops on managing chronic health conditions.

Pioneered collaborative programming with senior centers in Philadelphia to integrate LGBT content into senior center programming and to connect LGBT elders to LGBT-friendly senior centers.

Collaborated with the Pennsylvania Department of Aging to improve the inclusivity of the state unit on aging. Worked with the Department to recruit planning committee and oversee coordination of the 2018 LGBTQ Aging Summit, attended by over 300+ professionals and community members from across the Commonwealth.

Advocated for LGBTQ older Pennsylvanians through several statewide commissions including the Pennsylvania Long-Term Care Commission, the Governor's LGBTQ Workgroup, the Managed Long-Term Services and Supports Committee, and the Governor's Commission on LGBTQ Affairs.

Worked with the Governor's Commission on LGBTQ Affairs to form a statewide LGBTQ Aging Workgroup to advise state government on policy issues impacting LGBT older Pennsylvanians.

Created strong relationships with aging services organizations that helped them to become more LGBT-friendly, and with LGBT-serving organizations to help them become more age-friendly.

DONOR SPOTLIGHT

GLENN SYKES

GLENN SYKES HAS BEEN SUPPORTING THE LGBT ELDER INITIATIVE FOR MANY YEARS BUT HIS CHARITABLE HEART DATES BACK FURTHER THAN OUR ORGANIZATION'S EXISTENCE.

He credits his philanthropic ways to his mother, who taught him the importance of giving back to the community through her own generosity. Today, he leads by example to share those same values with his family and friends.

Glenn spent most of his adult years living around the world, but as a Philadelphia native, he always considered the City of Brotherly Love his home. So, when he retired from the University of Chicago in 2019, Glenn and his partner, Dirk returned to Philadelphia, the city he had remained close to, despite living afar. In the years he was gone, Glenn maintained friendships in Philadelphia and often returned to visit his family, but what is most notable is his sustained passion for the wellbeing of our communities, which was evident through his continued support of several local organizations, including those focused on the LGBT community, arts & culture, patient advocacy, and education.

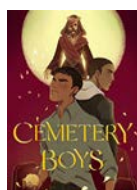

"My charitable giving is connected to both the mission of an organization and the leadership of that organization." Glenn further explained, he is proud to support the LGBT Elder Initiative because he deeply trusts our leadership and is passionate about providing services and resources to the LGBT aging population, especially resources that can be accessed from one's home. ■

VOLUNTEER SPOTLIGHT

JIMMY

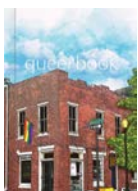

MEET JIMMY, A LONG TIME BUDDY WITH ACTIONWELLNESS, A RETIRED WEB DESIGNER, AND A VOLUNTEER ON THE LGBT ELDER INITIATIVE'S HIV & AGING COMMUNITY ADVISORY COMMITTEE!

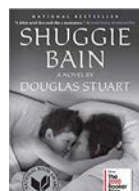

Jimmy's story started more than 30 years ago when his partner tested positive for HIV. After receiving his diagnosis, Jimmy's partner had to be admitted into a psychiatric hospital. When he was released, his partner wanted to make sure that no one else had to endure the same experience he had, so he began training with ActionAIDS (now ActionWellness) to become a buddy for people living with HIV. Unfortunately, he got sick shortly after he finished training and never got the chance to be a buddy to others.

Jimmy's partner passed in 1990 and after some time, Jimmy joined ActionAIDS as a buddy to continue what his late-partner had started years prior. Today, 30 years later, he continues to support others living with HIV through ActionWellness and through our HIV & Aging Community Advisory Committee (CAC).

Jimmy was first introduced to the LGBT Elder Initiative by founding board chair, Heshie Zinman! Heshie had known Jimmy's background and experience and invited him to join the CAC, a group of individuals 55+ living with HIV who work together to support the Elder Initiative's HIV & Aging programming including Thrivers, a peer support and discussion group for long-term survivors of HIV. After learning about the Elder Initiative's mission and the CAC, Jimmy joined the Elder Initiative as a volunteer! ■
